C&C announces the appointment of new distributors

for international spirits and liqueur brands CCR.I CCR.L

Dublin, London, November 29th, 2005: C&C Group plc ('C&C' or 'the Group'), the leading manufacturer, marketer and distributor of branded beverages and snacks in Ireland, today announced that it had appointed distributors for its international spirits and liqueur brands to replace Allied Domecq when these agreements expire.

Within the USA, C&C's largest international spirits and liqueur market, Skyy Spirits, a subsidiary of the Campari Group has been appointed to distribute C&C's Carolans cream liqueur, Tullamore Dew Irish Whiskey and Irish Mist brands. Furthermore, the Campari Group will also distribute C&C's brands in Brazil and through its joint ventures in the Benelux.

Maxxium Worldwide has been appointed to distribute C&C's international spirits and liqueur brands in the UK, Germany (Tullamore Dew only) and Bulgaria.

In other international markets, C&C has appointed strong, independently owned local distributors for its brands.

Commenting on the appointment of new distributors, Maurice Pratt, C&C Group CEO concluded: "We have succeeded in our objective to secure leading distributors in each of our markets and we look forward to working with our new partners to drive continued growth of our international spirits and liqueur brands".

As a consequence of the acquisition of Allied Domecq by Pernod Ricard, C&C will no longer distribute brands, previously owned by Allied Domecq, within the Irish market with effect from February 1, 2006, CCCFD
